Date(s) applicable: 17 March 2018	
Date Issued: 27 February 2018	
Issued by: Victoria Clent	
Applicable route/operator:	Kent / South Eastern
Local suicide prevention representatives:	Sophie Wright (Network Rail) - 07710 959858 Saul Gray (South Eastern) - 07814 772005

Nature of alert:

On 17 March 2017, a 16 year old girl took her own life at Dunton Green station at around 20:00 by stepping in front of a train.

This tragic event led to the schoolgirl's friends receiving counselling. The local press reported widely on this incident and a fundraising page raised thousands for the girl's family.

This type of incident, involving such a young person and leading to widespread local media coverage, could possibly lead to:

- attracting vulnerable people to the same location to take their own lives
- encouraging mourners to the site to attend vigils which may impact upon the safety and operation of the railway
- the triggering of memories for rail staff involved in the incident

Recommended action:

Consideration should be given to Network Rail, staff of operators or BTP officers visiting the location of the incident around the time it took place to be on the look-out for:

- persons showing signs of distress or upset who may be at risk of suicide, or mourners gathering in an acts of remembrance
- any tokens of remembrance, which in line with industry guidance should be removed

It might also be appropriate to promote the industry's *Small Talk Saves Lives* campaign locally around this time to heighten community awareness of suicide prevention.

Managers of staff who may have been involved in the incident or could be affected by its anniversary should look for signs of trauma amongst them and offer support as per their organisation's welfare arrangements.
