

Suicide Awareness Alert

This alert has been issued because of specific intelligence relating to suicide activity on the rail network which it is believed may prompt individuals to take their own lives.

Date(s) applicable: 30 August 2018	
Date Issued: 09 August 2018	
Issued by: Victoria Clent	
Applicable route/operator:	LNW / London North Western
Local suicide prevention representatives:	Gemma Lavery (Network Rail) - 07515 620641 Darren Hanley (London North Western) - 07816 648121

Nature of alert:

On 30 August 2016, an 18 year old woman took her own life at West Allerton Station at around 16:15

She was a well-known footballer, playing for Fylde Ladies AFC and having previously played for Everton Ladies Under 17's, Manchester City Women and England's Under 19's teams.

Due to the media interest in this incident and the fact she was a prominent local figure, there is a concern that the anniversary of her death could possibly result in:

- attracting vulnerable people to the same location to take their own lives
- encouraging mourners to attend the site for vigils which may impact upon the safety and operation of the railway
- triggering memories for the rail staff involved in the incident

Recommended action:

Consideration should be given to Network Rail, staff of operators or BTP officers visiting the location of the incident around the time it took place to be on the look-out for:

- persons showing signs of distress or upset who may be at risk of suicide, or mourners gathering in an acts of remembrance
- any tokens of remembrance, which in line with industry guidance should be removed

It might also be appropriate to promote the industry's *Small Talk Saves Lives* campaign locally around this time to heighten community awareness of suicide prevention.

Managers of staff who may have been involved in the incident or could be affected by its anniversary should look for signs of trauma amongst them and offer support as per their organisation's welfare arrangements.

Support and additional information
