Date(s) applicable: 06 March 2019	
Date Issued: 14 February 2019	
Issued by: Victoria Clent	
Applicable route/operator:	Western / Great Western
Local suicide prevention representatives:	Kimberley Carter (Network Rail) - 07920 276853 Paula Durrans (GWR) - 07771 672204

Nature of alert:

On 06 March 2018, a 15 year old girl took her own life at Corondale level crossing at 16:15.

This incident was reported in the local press and there was extensive floral tribute activity at the crossing in the subsequent days.

A 14 year old boy also took his life at the same location on 01 February 2016 – details of this can be found in Suicide Awareness Alert 0098.

Due to both matters involving such young people and causing widespread mourning in the local community, this anniversary date could:

- attract vulnerable people to the same location to take their own lives
- encourage mourners to the site to attend vigils which may impact upon the safety and operation of the railway
- trigger memories for rail staff involved in the incident

Recommended action:

Consideration should be given to Network Rail, staff of operators or BTP officers visiting the location of the incident around the time it took place to be on the look-out for:

- persons showing signs of distress or upset who may be at risk of suicide, or mourners gathering in an acts of remembrance
- any tokens of remembrance, which in line with industry guidance should be removed

It might also be appropriate to promote the industry's *Small Talk Saves Lives* campaign locally around this time to heighten community awareness of suicide prevention.

Managers of staff who may have been involved in the incident or could be affected by its anniversary should look for signs of trauma amongst them and offer support as per their organisation's welfare arrangements.
